Over the years Julie Andrews has been much interviewed in the press and on television, but she has never before revealed the true story of her childhood and upbringing. In HOME she vividly recreates the years before the movies.

An idyllic early childhood in Surrey was cut short when her parents divorced and her mother remarried. The family moved to London, and there are vivid scenes of life during the Blitz. Her mother went into musical theatre with her stepfather, who encouraged Julie to have singing lessons which led to the discovery that her voice had phenomenal range and strength for someone her age. Before long she was appearing on stage with her parents. She soon realised how much she enjoyed looking out into the black auditorium.....
