Florence: Harvard symbologist **Robert Langdon** awakes in a hospital bed with no recollection of where he is or how he got there. Nor can he explain the origin of the macabre object that is found hidden in his belongings.

A threat to his life will propel him and a young doctor, Sienna Brooks, into a **breakneck chase** across the city. Only Langdon's knowledge of the **hidden passageways** and **ancient secrets** that lie behind its historic facade can save them from the clutches of their unknown pursuers.

With only a few lines from Dante's *Inferno* to guide them, they must decipher a **sequence of codes** buried deep within some of the Renaissance's most celebrated artworks to find the **answers to a puzzle** which may, or may.....
